Implementation Plan of Point-based Admission for Children of Migrant Workers in Haizhu District

Article 1 In order to further improve the compulsory education for the children of migrants in Guangzhou, this Implementation Plan (hereinafter referred to as the “Plan”) is formulated in accordance with the themes of such documents as the *Compulsory Education Law of the People's Republic of China*, *Regulations of Guangdong Province on the Administration of Migrant Population Services*, *Guidelines of the General Office of the People's Government of Guangdong Province on Conducting Compulsory Education for Children of Migrant Workers* (Yue Fu Ban [2011] No. 45), *Notice of the People's Government of Guangzhou Municipality on the Issuance of the Regulations on the Management of Point-based Service for Migrants in Guangzhou* (Sui Fu Gui [2021] No. 7), *Notice of the People's Government of Guangzhou Municipality on the Issuance of the Implementation Opinions on the Purchase of Admission Qualifications from Privately-Run Compulsory Education Schools in Guangzhou City* (Sui Jiao Gui Zi [2022] No. 1), *Notice of Guangzhou Municipal Education Bureau and Guangzhou Municipal Migrant Service Bureau on Conducting Compulsory Education for Children of Migrant Workers in Guangzhou City* (Sui Jiao Gui Zi [2023] No. 4), and other laws and regulations as well as the spirit of superior documents, on the basis of the actual conditions of Haizhu District and with a view to making overall arrangements for the children of migrant workers in Guangzhou to obtain the admission qualifications as first-year students in the public primary schools, the public junior high schools or the government-funded private schools in Haizhu District by means of point-based admission (hereinafter referred to as “Point-based Admission”).

Article 2 The term “migrant workers” herein refers to citizens of the People's Republic of China who have non-local household registration, live in the administrative area of Guangzhou City, and hold a valid Residence Permit of Guangdong Province. This Plan is applicable to migrant workers who apply for the point-based admission in Haizhu District for their school-age children who move with them.

Haizhu District Education Bureau and Haizhu District Human Resources and Social Security Bureau jointly formulate and publish the Detailed Rules for the Implementation of the Point-based Admission in the Current Year on an annual basis (hereinafter referred to as the “Detailed Rules”).

Article 3 Migrant workers shall apply for points online through the “Point-based Service Management Information System for Migrant Workers in Guangzhou” based on the indicators listed in the *Point-based Service Management Index System and Score Table for Migrant Workers in Guangzhou City*. The migrant workers apply for the point-based admission ranking in the current year for their children based on the points obtained for the approved point-based admission items listed in the “Point-based Service Management Information System for Migrant Workers in Guangzhou”. Haizhu District Human Resources and Social Security Bureau should put the applicants' points in order from high to low and determine the list of eligible applicants, and Haizhu District Education Bureau shall, as per the list of eligible applicants, arrange admission qualifications based on the applicants' intentions and the point-based admission plan of Haizhu

District in the current year.

Article 4 The requirements for migrant workers to apply for point-based admission qualifications for their children who move with them: The applicant shall live legally and stably in Guangzhou City and hold a valid Guangdong Residence Permit issued in Guangzhou City for one year, and shall meet one of the following 4 requirements: 1. Live legally and stably in Haizhu District; 2. Have regular jobs (entrepreneurship) in Haizhu District; 3. Have one of the following types of insurance: endowment insurance, social medical insurance, unemployment insurance, industrial injury insurance and maternity insurance, and keep the payment on schedule when applying for the point-based admission; 4. Their children are studying in Haizhu District and have school records in Haizhu District when applying for the point-based admission.

Their children shall meet the following requirements:

Children who apply for the point-based admission qualifications as first-year students of primary school shall be at least 6 years old and have not yet been enrolled. Children who apply for the point-based admission qualifications as first-year students of junior high school shall be fresh graduates of primary schools in the current year. Where school-age children and adolescents need to postpone their enrollment due to their physical conditions, they shall obtain approval from the education administrative departments of the people's governments at the county level or the people's governments at the township level in the place where their registered residence is located.

Article 5 The term "legal and stable residence" herein refers to meeting one of the following requirements:

- (1) Owning property housing in Haizhu District.
- (2) Legally renting housing or staff dormitories in Haizhu District.

Article 6 The application process for point-based admission is as follows:

(1) Confirmation of points: Before applying for point-based admission for children who move with them in Haizhu District in the current year, applicants shall confirm the points of "point-based admission" in "Point-based Service Management Information System for Migrant Workers in Guangzhou" (<https://djf.lsj.gz.gov.cn/bjpublic/login>).

(2) Online registration: Applicants log in the designated website at the time specified in the Detailed Rules of the current year to apply for point-based admission. Overdue registration will not be accepted.

(3) Preliminary examination of documents: Applicants who have passed the online pre-examination shall prepare the application documents and submit the documents to the designated acceptance site of point-based admission for preliminary examination within the specified time limit. Failure to submit paper documents within the time limit shall be deemed as giving up the application.

(4) Reexamination of documents and announcement of results: Each acceptance site of point-based admission shall submit the preliminary examination results to Haizhu District Human Resources and Social Security Bureau, and Haizhu District Human Resources and Social Security Bureau shall send the documents to relevant government sectors for reexamine ex officio and then summarize them for announcement to the public. The announcement time shall not be less than 5

natural days.

Any applicant who has objections to the re-examination results may submit a written verification application to the original point-based admission application acceptance site during the public announcement period of the reexamination results. The point-based admission application acceptance site is responsible for collecting and combing application materials and submitting them to Haizhu District Human Resources and Social Security Bureau. Haizhu District Human Resources and Social Security Bureau shall handle the objection and give a written reply within 5 working days from the date of receiving the submitted application materials. The written reply shall be the final result of the objection handling procedures. After the objection handling is completed, the District Human Resources and Social Security Bureau will transfer the final reexamination results to Haizhu District Education Bureau for its release of the list of eligible applicants to the public.

(5) Filling the intention: Haizhu District Education Bureau will announce the enrollment plan to the public according to the admission vacancy and the applications for point-based admission of the year. Applicants will fill in intention for their children who have obtained the point-based admission qualification through the designated website within the specified time limit. Failure to fill in intention as required or failure to confirm after filling in intention will be deemed as giving up the point-based admission qualification.

(6) Arranging admissions: Haizhu District Education Bureau allocates admission qualifications through the computer system according to the principle of “giving priority to points, combining intention and making overall arrangements”. When the applicants have the same points, they will be admitted according to the positive order of the index names of Point-based Service Management Index System and Score Table for Migrant Workers in Guangzhou. If, according to the above rules, the applicant’s children are not admitted to the target school, the system will automatically coordinate one that is not full on the premise that the applicant agrees on the coordinated arrangements; applicants who do not agree on the coordinated arrangements will not be admitted.

(7) Admission qualification confirmation: The applicant confirms the admission results within the specified time limit, and failure to confirm within the time limit shall be deemed as giving up the point-based admission qualification.

(8) Registration: The children of migrant workers who have obtained the point-based admission qualification shall bring the admission documents to the admission school for registration at the specified time. Failure to report to the admission school within the time limit shall be deemed as automatic abandonment of the admission.

(9) Migrant workers who do not hand in the points application, give up the point-based admission qualification or fail to meet the point-based admission conditions can apply for admission qualifications in legally established private schools according to the enrollment policy of the current year.

Article 7 Fees and student status management

For private schools that admit point-based admission qualified children of migrant workers, the District Finance Bureau shall grant subsidies according to the superior policy standards. If the charging standards of the privately-run compulsory education schools receiving children of

migrant workers are equal to or lower than the financial subsidy standards, such charging standards shall prevail; if the charging standards of the privately-run compulsory education schools receiving children of migrant workers are higher than the financial subsidy standards, the difference shall be paid by the migrant workers. All public and private schools shall not charge fees other than those stipulated by the competent price authority to the children of migrant workers.

Children of migrant workers enrolled through the points system will no longer retain the point-based admission qualification in Haizhu District if they transfer to other schools or relocate household registration to Guangzhou during their primary or junior high school periods. They shall re-apply for point-based admission for entering junior middle schools from primary schools.

Article 8 Haizhu District Education Bureau and Haizhu District Human Resources and Social Security Bureau shall take the lead in guiding the point-based admission of the children of migrant workers in Haizhu District. The relevant government sectors of the district shall specify their responsibilities, strengthen communication, cooperate closely and make concerted efforts to ensure that the children of migrant workers can apply for admission qualifications according to this Plan smoothly.

Haizhu District Human Resources and Social Security Bureau is responsible for coordinating and guiding each-acceptance site to carry out the registration and acceptance of the point-based admission for children of migrant workers, reviewing the preliminary examination results of each acceptance site, handling publicity and objections, submitting the point-based admission list to Haizhu District Education Bureau, and cooperating with Haizhu District Education Bureau to allocate admission qualifications.

Haizhu District Education Bureau is responsible for developing and publishing the enrollment schools and enrollment plans for the children of migrant workers in the compulsory education stage within its jurisdiction, and making overall arrangements for admission qualifications based on the scores and intentions of the migrant workers.

The Publicity Department of the Haizhu District Party Committee is responsible for coordinating various publicity channels such as portal websites and WeChat official account, and advocating government policy to enterprises and migrant workers.

The Office of the Institutional Organization Commission of the Haizhu District Party Committee is responsible for the staffing of public primary and secondary schools in Haizhu District according to the number of students in public primary and secondary schools (including the number of children who are studying in Guangzhou).

Haizhu District Development and Reform Bureau is responsible for including the compulsory education for the children of migrant workers in Haizhu District into the economic and social development plan and the annual plan, and including the construction of relevant schools into the fixed assets investment plan and the annual plan.

Haizhu District Finance Bureau is responsible for giving financial subsidies to the public and private schools that have undertaken the task of admitting the children of migrant workers as arranged by Haizhu District Education Bureau.

Haizhu District Housing and Construction Bureau is responsible for reviewing the housing lease filing documents.

Haizhu District Administration for Market Regulation is responsible for reviewing the business situation of the migrant workers in Haizhu District.

Haizhu District Public Security Sub-bureau is responsible for reviewing the household registration of migrant workers; assisting the education authority to maintain the enrollment order and ensure the safety around schools.

Haizhu Branch of the Guangzhou Municipal Planning and Natural Resources Bureau is responsible for reviewing legal and stable residence documents, such as property right certificates.

Haizhu Sub-center of the Guangzhou Municipal Medical Insurance Center is responsible for reviewing the medical insurance information of migrant workers.

The sub-district offices in Haizhu District are responsible for accepting applications for point-based admission qualifications submitted by migrant workers in Guangzhou, conducting pre-examination and preliminary examination, and assisting in the handling of objections.

The relevant departments should implement information exchange and sharing among departments in accordance with the relevant provisions on government service information exchange and sharing via the information processing mechanism of the “Point-based Service Management Information System for Migrant Workers in Guangzhou”.

Article 9 Migrant workers shall ensure that the relevant information provided by them is true and valid. If there is any fraud, once verified, their application qualifications and corresponding subsidies and allowances will be immediately canceled, and they will be investigated for legal responsibilities according to laws.

The relevant authorities shall investigate and affix the responsibility for the abuse of power, dereliction of duty and fraud in the enrollment of the children of migrant workers.

Article 10 This Plan is not applicable to the children of migrant workers who meet the conditions of the *List of Policy-prioritized Students in Compulsory Education Stage in Guangzhou* and are arranged for compulsory education admission as per the relevant enrollment regulations of primary and secondary schools in Guangzhou City and Haizhu District in the current year.

Article 11 This Plan shall be implemented as of the date of issuance and shall be valid for five years. The *Notice of Haizhu District Education Bureau and Haizhu Migrant Service Bureau of Guangzhou City on the Release of the Implementation Plan of Point-based Admission for Children of Migrant Workers in Haizhu District (Hai Jiao Gui Zi [2023] No. 1)* shall be abolished accordingly. During the implementation period, if there is a new situation or the superior authority issues a new policy of compulsory education for children of migrant workers, it will be adjusted on the basis of the actual conditions of Haizhu District.
